Dear Mr. Manley:

The matters we discussed upon your last visit to Richmond have been completely ironed out. Last night I presented the Homestead Grays and the New York Black Yankees here and was assured complete cooperation by the Park management on any game I see fit to book in Richmond.

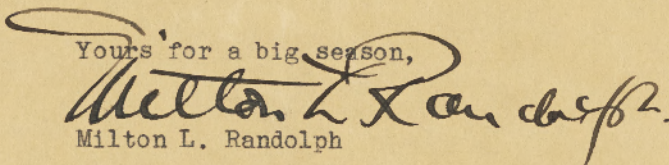

Mr. Posey asked me who booked your game here with the Cubans and expressed amazement when I told him. It was through your team representative that Mr Posey decided to use my services. He seems satisfied never-the-less and because of his location at Washington will probably want to play Richmond often.

The Grays lost a lot of popularity here last night because of the incident the attached clipping will reveal.

Richmond is definitely big league minded and a few really big games here can establish your team on a good paying basis. Many sports fans are yelling for the Baltimore Elite Giants. A game with the two of you would be a real attraction. The Black Yankees are allso popular.

Let me hear from you at an early date.

Yours for a big season,

  
Milton L. Randolph
